Subject: Re: Peer review charge to CPG?

Keep in mind that if we're sending anything to the CPG, they may want to discuss it at the Feb 28 modeling meeting. And that if we share with CPG, we should share with Tierra too.

I don't believe we sent them anything on the EMBM peer review. Right Alice?

Attached is the peer review charge that was sent to our peer reviewers today. I also sent it to CSTAG, as requested. I believe we wanted to send it to the CPG too, as a courtesy - do you see anything in here that can't be sent? If not, I will have LBG remove the confidentiality header and re-send me the file.

We should probably send this to our Partner Agencies, to let them know that the peer review has started.
